Fundraising Event – Trivia Night

Why are trivia nights so popular for fundraising? Because they work! Get your friends and family firing up those brains and having a blast while restoring sight with a trivia night! Work together as a team to maximise your audience and use these handy tips to get started.

Information:

- Find a venue first! Popular options include local pubs, RSL, SLSC or even your workplace—get creative!
- Use a theme to create more excitement! Fancy dress or hat party?
- Charge $25-$30 per head, reminding guests that all funds raised go towards restoring sight.
- Contact local businesses for prizes. Many are happy to support a great cause by giving you goods for your event! You could ask for vouchers from gyms, cinemas, restaurants, amusement parks, and shopping centres. Don’t forget bottles of wine and hampers. Collect around 10 prizes and you are ready!
- Include raffle tickets on the table, and a silent auction of higher value donated gifts.
- Organise a trivia quiz master. Don’t know anyone? See our suggested list below – they will help you with the details to make the most out of your fundraiser.
